Privacy Policy for BAZOOP ($ZOOP)

Effective Date: [May 27, 2025]

This Privacy Policy describes how BAZOOP ($ZOOP), operated by Aletheia Labs ("we," "us," or "our"), collects, uses, and discloses information about you when you interact with our project, website(s), Telegram group, and participate in token-related activities such as airdrops.

---

1. Information We Collect

We may collect the following types of information:

- **Wallet addresses** for airdrops or project participation.

- **Usernames or handles** from Twitter, Telegram, or other social media platforms.

- **Optional submissions** through Google Forms or Sheets (e.g., for contests or giveaways).

- **IP addresses and site interaction data** via GitHub Pages analytics (non-personally identifiable).

---

2. How We Use Information

We use the information we collect to:

- Distribute airdrops and project rewards.

- Verify eligibility for participation in events or campaigns.

- Communicate updates or announcements via social platforms.

- Improve and manage project integrity.

---

3. Sharing and Disclosure

We **do not sell or rent** your personal information. We may share limited data:

- With third-party platforms (e.g., Telegram, Twitter, Google) **only to the extent necessary** to manage campaigns.

- To comply with legal obligations or prevent fraud/abuse.

4. Data Security

We use GitHub, Google Sheets, and Telegram with reasonable safeguards. However, we cannot guarantee 100% security of information transmitted over the internet.

5. Cookies and Analytics

Our website (hosted on GitHub Pages) may use minimal cookies or traffic logging analytics. No personally identifiable data is collected via cookies.

6. Children's Privacy

BAZOOP does not knowingly collect personal data from children under 13. If you believe a child has provided us with personal information, contact us immediately.

7. Your Rights

You may contact us to:

- Request deletion of your submitted data.

- Ask questions about how your data is used.

8. Contact

For questions or concerns, contact us via Telegram: @BaZoopToken

9. Changes to This Policy

We may update this Privacy Policy at any time. The latest version will always be available on our GitHub.
